

## Awareness of Low Income Voices

### Would you like to have your voice heard?

Then consider becoming a part of a dynamic group within your community.

We are looking for individuals to join us in order to have a positive voice in the community relating to challenges that face people living on low incomes.

**If you are living on a low-income, we'd like to hear from you!** (low-income workers, ODSP, OW, EI & WSIB recipients etc.).

- **Find out about** the current local, provincial and national efforts to reduce and prevent poverty.
- **An opportunity** to be part of making a positive difference to your own life and to the lives of others.

**The goal** to work collaboratively with other sectors (non-profits, education, business and government) and this is a **key requirement** for membership.

**Meetings** are held periodically throughout the year. **A time to socialize** is a part of each meeting.
